€.	Only a few soldiers, wearing red-bordered black epaulets, were observed at the Adolf Hitler Kaserne. Trucks  were parked in the berracks yard. Some of the vehicles were covered with tarpaulins. (4)	25 <b>X</b> 1
7.	On 4 January, it was learned from a craftsman working in the Koenig Albert Kaserne that about 20 SP guns of about 125 mm were sheltered in two garages of the installation, with each garage being separately guarded.
